

# CLAY CAMP FOR KIDS!

For all of those budding artists, you are invited to join together for Clay Camp for Kids. We will focus on basic handbuilding techniques and beginner tips for working with clay. Each of you will be encouraged to make pieces that will be fired and later glazed, that will explore your special artistic talents. We will concentrate on 2 simple projects, but you can venture out on your own and make other things too!

We will be meeting in my very tree shaded back yard, adjacent to my pottery shed/ studio at 711 Pleasant Crt., in Onalaska. In case of rain, we will have to work in my garage...UGH, so pray for sunshine!

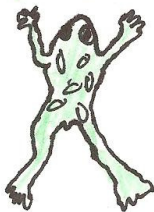

We will work during the time allotted for each age group on Tues. and Wed., June 29 and 30. Everything will dry and be fired later that week. We will then meet again on Wed., July 7th at 1:00 to glaze all of our masterpieces! I will fire things the following week and let everyone know when they can stop by to pick up their finished pieces.

The cost of the camp includes all clay, firings and glazes. Just fill out the attached page, one per student, and send it by mail along with your check. I will send you an e-mail with a list of any tools or items each student may need and any other details to make this a great summer event for all of us!
